F Am C x2

[Verse]

```
      Dm                      Fmaj7
I heard them calling in the distance
      Am                      G
So I packed my things and ran
Dm                      Fmaj7
Far away from all the trouble
      Am                      G
I had caused with my two hands
      Dm                      Fmaj7
Alone we traveled on with nothing but a shadow
      Am                      G
We fled far away
```

[ Chorus ]

F                Am          C  
Hold your horses now (We sleep until the sun goes down)

F                Am          C  
Through the woods we ran (Deep in to the Mountain Sound)

F                Am          C  
Hold your horses now (We sleep until the sun goes down)

F                Am          G  
Through the woods we ran

[Verse]

Dm Fmaj7  
Some hid scars and some hid scratches  
Am G  
It made me wonder about their past  
Dm Fmaj7  
And as I looked around I began to notice  
Am G  
That we were nothing like the rest

[ Chorus ]

F                Am          C  
Hold your horses now (We sleep until the sun goes down)

F                Am          C  
Through the woods we ran (Deep in to the Mountain Sound)
